With school out for the summer, we will continue our successful Community Bingo—Family Night at the Jenks. Join us for a fun evening of playing BINGO with candy prizes along with pizza, cookies and refreshments. We hope to see all of the familiar faces who enjoyed themselves in recent months as well as some new players. Bring yourself, your friends and your family to enjoy an hour of games and refreshments in the newly renovated air-conditioned Jenks Center. While walk-ins are welcome, we would appreciate your RSVP no later than a day before the scheduled event.
