

Justice Denied: A Personal Perspective

Presented by Margaret Yamamoto

Tuesday October 10 10:30 a.m.

(Coffee and cookies available at 10:00 a.m.)

This talk tells the story of the Japanese internment during World War II as seen through the eyes of a Japanese-American family. It follows their passage from immigration in the 1890's through imprisonment during the war years, and documents how they rebuilt their lives thereafter.

These programs are presented by the Education Committee of the Winchester Seniors Association and are supported by a grant from the John and Mary Murphy Educational Foundation.
