

Lita Nelsen has been a Winchester resident since 1969. She says that “the wonderful Winchester schools survived her two kids, Katrina and Dan.” Before her retirement, she was director of the MIT Technology Licensing Office. Lita volunteers at the Friends of the Winchester Public Library, where she’s been treasurer since 2015; FoodLink in Arlington; and is a mentor in the MIT Sandbox Program for students starting up companies. Lita’s educational background: B.S. and M.S. in Chemical Engineering (MIT) and MBA as a Sloan Fellow at the Sloan Management school of M.I.T.
